TRBA Officer & Director Reports

Hello from windy, West Texas!

March 31-April 2 TRBA held their annual State Show in Belton Texas. It was one of the biggest shows we've had in several years! Friday we had a single rabbit/cavy show, Saturday was the State Show for rabbits/cavy and the youth participated in contests to make the National teams to go on to Louisville this year. The club holds an annual raffle to benefit TRBA youth scholarship which earned over \$3400! We appreciate Mallary McBee and her crew for running this wonderful raffle that helps so many of our Texas youth! There was also a fun Arts and Crafts booth for both our youth and adults. Thank you to Robin Short and Jennifer Sain for setting up and running the Arts/Crafts booth! To top off the day we had our

annual banquet where the State Youth contestants were honored as well as the Youth Royalty. To end the evening, Open and Youth Breeders of the year were announced. To end the weekend Sunday was a single all breed show for rabbits and cavy.

2023 Youth Royalty are: Lord-Asa Hoffman, Lady- Peyton Head, Prince-Bryson Hord, Princess- Kynsie Klaus Duke Kaden Gordillo, Duchess-Shelby Hampe, King-Landon Moore, Queen-Krystal Tondre

Open Breeder of the Year- Jennifer Schimpf Youth Breeder of the Year- Cassidy Besinaiz
Lots of great shows and events happening in the great BIG state of TEXAS!!! See everyone in
Louisville!

Vice President Tammy Wheat

I must give a great shout out to all TRBA members. We came out in great numbers and competed with good sportsmanship. The <u>state</u> show was a success of which we should all be proud. Congratulations to all of those with winning rabbits, <u>arts</u> and crafts, and, of course, the ways and means raffle. Unfortunately, I have an unbroken record of losing at the ways and means raffle. I did notice that there were many tickets put in the raffle for the garden rabbit full of succulents. For those of you, like me, that did not win. Here's a little hint – Lowe's Home Improvement.

Thank you, Jennifer Schimpf, for creating such a great program for our youth. You are appreciated. Congratulations on being awarded the TRBA Breeder of the Year by the BOTY committee. The arts and crafts competition and exhibition were amazing! Thank you, Robin and Jennifer.

I must run now; I'm working on creating forms for our website so that we can register and purchase memberships online. I'm also working on an operations document that describes how our BOD manages our club. Of course, there are a few rabbit chores, like nestboxes for convention litters, and grooming and conditioning for Nationals. Thank you all! I had a great time and enjoyed helping with our show. Special thanks to my close friends and mentees that honored me with a special nomination and insisted that I stood when Mentors were recognized, and to my youngest mentee, Taylor Waddell, that gave me lots of hugs throughout the show and ran around the corner at the banquet with a thumbs up to make sure that I was standing when Mentors were being thanked. My bunny breeder heart is grateful and quite full.

Secretary Amber Tondre

What a spring it's been! We have had some great shows throughout the State, and I have heard great things about all of them!

We also had a wonderful State Show. This is my second year to be the Secretary for the State Show, and while there were a few kinks – as always – I think overall it went very well. I had AMAZING help in the office throughout the weekend, giving me a chance to visit with some of you, and generally keeping me sane!

Huge CONGRATULATIONS to Jennifer Schimpf for winning Open Breeder of the Year and to Cassidy Besinaiz for winning Youth Breeder of the Year!!! For those of you who missed the

Banquet, Jennifer is the first TRBA member to have won both Youth (2007) and Open Breeder of the Year. What an accomplishment!

Congratulations, also, to all the Youth Contest participants and winners. I am looking forward to seeing many of you in Kentucky in October.

I am very excited to welcome Amy Mersiovsky to the Board of Directors. Amy has always been a great asset to our organization. She is the Chair of the Scholarship Awards committee, has taken on the role of Newsletter Editor, and often helps the Youth Committee by donating animals for Hands-On Judging and Breed ID. I am looking forward to working with her on the Board.

Our active show season seems to be slowly winding down. While I always enjoy seeing and visiting with y'all at shows, I (and our wallets) also look forward to some much needed down time. That being said, please don't ever hesitate to contact me if you have any questions or concerns about anything in our organization. If I don't have – or can't find – the answer you need, I will do everything in my power to find someone who can.

I hope you all have a fun, safe summer and I will be looking forward to seeing you all again in the Fall.

Treasurer Gay Sparks

Hello to All.

By the time this issue reaches you, most of our national breed shows will be over. Texas is always well represented and makes it known that we are force to be reckoned with. We are the home of many national winning breeders and we should be proud of those accomplishments. I have heard many a judge comment that judging in Texas is comparable to a national show. We are doing something right and we need to represent our state well.

There has been lots of discussion on the topic of ethics and etiquette at the shows. We all like to see our favorite judges and spend some time visiting with them. This is great and we should

welcome them to our shows. The problem comes when the judging starts and others take our comments as attempting to influence the judge. Most of us are just making conversation (because Texans like to talk) and have no ill intent to sway the judge's decision but to a newbie or fellow competitor, it doesn't appear that way at all. We have had some instances where the comment takers and gone a little too far with their position behind the tables and this is causing a problem. Lord knows we need volunteers at the shows and this by no means in directed at those that always show up to help. We all just need to understand there are guidelines we need to adhere to keep it all on the up and up. When you are working with a judge, you should not be talking while he is evaluating a class unless it is to verify information. Let the judge have time to evaluate the animal without distractions to keep the class moving. NEVER, NEVER move an animal on the table, without the permission of the judge and under NO CIRCUMSTANCES should you ever take an animal out of the coop and look at it yourself. YOU ARE NOT THE JUDGE! If you have a question about the class, you may wait until the breed is complete and ask your questions. First of all, this distracts the judge and gives the wrong impression to the breeders that you may be questioning their decision. We all have been guilty of visiting and talking during judging but in no other species is this allowed and we should try to refrain as much as possible. There are some judges that do like to talk and interact with the breeders and if that's the case, then it is acceptable to join the conversation. There is a fine line that we all have to stay behind and for the most part, our members are obeying the rules. We have to protect the judge's reputation and their integrity. I hate to see a comment on social media where there are questions on a judge's decision because of volunteer's actions behind the tables. Be mindful when you are in this position and let's try to keep it professional.

State Show was a great success and we have <u>all of</u> wonderful staff and volunteers to thank. We imitated some changes and it seemed to be well accepted. The online entry system made mine and Amber's job so much more efficient and we hope to be able to continue it at <u>all of</u> our shows. I know it came with some glitches but hopefully we can all get accustomed to it and make adjusts. It prevents clerical errors, alleviates wait time for checks to clear, and allows us to move the deadline closer to the show. Please be patient with us as we make these transitions. We will be launching more new electronic transactions soon. Watch the website and our Facebook page for announcements.

Congratulations to our newest additions to the Breeder of the Year list, Jennifer Schimpf and Cassidy Besiniaz. Both of these are very deserving of the award and we are blessed to have them in our association. These ladies devote endless hours helping others and promoting our hobby.

Summer is nearing and we need to prepare for those unmerciful days ahead. If you know of some new breeders, reach out to them and offer advice. There is a lot of good information and a lot of bad information on the internet. We never want to hear the horror stories of losing animals due to heat and poor planning.

Everyone <u>have</u> a wonderful and safe summer. Enjoy your family and take time to appreciate the freedoms we have in our country. Pray for our troops and for those that have lost loved ones.

Director Katie Finch

It's national season! Good luck and congratulations to those competing!

I'm going to share a bit about my passion for our youth programs. (Hopefully I don't step too hard on youth committee toes...)

This summer we are planning to have traveling workshops to help prep youth for the 100th convention! We have 3 dates secured so far - for Dumas 6/30, San Antonio 7/29, and Belton 8/12! Please consider supporting our youth with donations of snacks, small awards, or funds to help support this project!

Also, we are having a t-shirt fundraiser to help sponsor the kids' travel expenses. Please consider sponsoring an advertisement slot or purchasing 1+ shirts!

Keep an eye on the TRBA Facebook page for the workshop and t-shirt updates!

Director John Terry

Spring nationals are in our mist as we try to figure out what animals to keep to show. By the time you receive this newsletter most national will be completed.

Now the fun stuff, we are pushing for that last littler for convention or get the new animals bred to see how they cross with your own stuff.

Director Suzanne Hemsath

Hello TRBA members.

The TRBA state show has come and gone and was well attended by many breeders. Congratulations to all the winners on the table, the sweepstakes winners, youth contest winners, and the TRBA Open and Youth Breeders of the Year. I was especially pleased with the amount of youth that were participating in the youth contests. There were almost 80 kids that studied for their contests. I would like to give a huge thank you to Jennifer Schimpf for her countless hours and dedication to growing the youth involvement in Texas and all of District 4. Also, a big thank you to all the breeders who donated the animals for the kids to

use in both the judging contests and the breed ID. Be on the lookout for dates and locations for workshops dedicated to helping the youth be ready to take on the contests at convention in October. One item that was discussed at the meeting was the involvement of the membership in the dealings of the club. It was brought up to possibly move the meeting to the summer and have a picnic so that we can discuss more of the needs for the club. If you would be in favor of this, please reach out to a board member so that it can be brought up and possibly be brought to the membership for a vote. This club is a membership club and if you have any ideas that you would like to see implemented by the club please let us know so that we can work on it. I hope y'all are doing well and your nest boxes are filled with babies for the fall shows. We seem to be having a baby boom over here and the kids and I may have overbred to have juniors at convention as we are running low on nest boxes. I am hoping we will have a few to choose from to take to the 100th annual ARBA Convention in Louisville, KY. I am hopeful the weather this summer will be kind and not too hot for keeping these youngsters.

Director Amy Mersiovsky

Happy Spring everyone!

I want to thank everyone for participating in the TRBA State Show and Convention. We had a great entry of rabbits in the show and youth in the contest. Again, I want to remind you of the importance of attending the association's meeting during the State Show and Convention.

The youth committee is working hard to raise funds to put on training for the ARBA Convention Youth Contests and the cost of our youth traveling to the convention. We had so many of our youth qualify for interviews at the 2022 ARBA convention but we did not bring home any royalty titles. We are Texas and we are the best. Let's help our youth be their best.

Please plan to purchase a T-shirt and plan to support the training sessions that are being planned.

I viewed a social media comment after the State Show regarding the distribution of awards. The comment expressed the dissatisfaction in the awards offered at our show vs their local school jackpot show. I know that many of us donate our awards back but for that first time youth winning a best of breed, even if only one animal is shown, receiving an award is very validating. On the other hand, the cost of putting on a show is increasing steadily. While the price of a small rosette is approximately \$3.70 each, there are many other costs associated with a show. Sanctions alone can be in the range of \$1500-\$2500! There are building, equipment, insurance, soft-ware, banquet, and travel expenses to be taken into consideration. Many non-TRBA and ARBA affiliated youth shows do not have many of these costs to worry about and may be able to procure community donations. Those considerations make a huge difference in the financial considerations of the TRBA vs a youth jackpot show.

I coordinated the judge transportation (flights and rides) for the state show for the past few years. With our show always being held on Palm Sunday weekend, and many areas are having Spring Break, flights are at a premium. This makes air travel markedly more expensive. Our judges (all of whom were from out of state) were as flexible as they could be in their travel. Flights on Sunday afternoon were vastly more expensive than Sunday morning. Many stayed over until Monday or Tuesday and that saved us hundreds of dollars. Others could not stay that late. Then there were the nasty thunderstorms that moved in on Sunday afternoon. Only one judge made it home at a reasonable time. Two others arrived home at 2am! Several more spent the night in airports across the country. Being a judge is not all glitz and glamour. If you see our judges, please give them a high five for being a good sport. Thank you to Roni Nail, Katie Finch, and Don for helping me to get the judges to and from the airports.

Let's be making plans to keep the bunnies cool as we head into the Texas summer inferno. Have a backup for your backup!

Director Beth Manglherger-Hughes

Hello evervone.

It was so nice seeing everyone at the State Show. I'm very appreciative for those that took the time to attend the annual meeting and banquet. It was great seeing all the youth that competed in Saturday's contests.

By the time this issue comes out many exhibitors will have represented Texas at spring nationals. Hope everyone had safe travels and several big wins.

Summer is right around the corner so be prepared for hot weather. I'm looking forward the seeing you at the fall shows.

TRBA Youth Committee

What a great Texas State Show! There were 80 youth contestants for the 2023 TRBA State Show Royalty & Youth Contests. That may be the largest we've ever had, definitely the biggest during my term as youth committee chair. A huge congratulations to all our winners, which will be printed in this newsletter.

Thank-you to those that provided contest animals. I also want to extend an ENORMOUS THANK-YOU to the youth committee and all the volunteers that stepped up and helped with this year's contests. You are a crucial part of ensuring all the youth can compete, finish to be able to show their animals, and provide them with results that evening. It can be a chaotic day and I do appreciate your time!

Now is the time to start gearing up and preparing for the **100th ARBA convention** in **Louisville, Kentucky** on **October 7-11, 2023**. Information on all youth contests is already available on the ARBA website. Even if you are unable to attend, there are several contests that do not require attendance to participate such as the Achievement & Management contests. The T-shirt design contest has a deadline of July 1st. All other contests have a registration deadline of August 15th. It's an earlier deadline this year and please note the questions on the applications have changed. You also must be registered as an Individual to be on the State Teams. Even if you aren't on a team, you can compete individually. We will form as many teams as possible. The ones announced at the banquet are automatically guaranteed spots on teams. Ultimately, I will form more teams within the contest rules allowed based on those attending. I highly recommend entering breed id as there are more team opportunities with that contest.

Not even a full day after <u>State</u> Show (before I even got home!) and your TRBA youth committee is already hard at work planning several items for our youth convention attendees. The 100th is one we want to remember! **We are striving to put together several summer workshops across the state to assist in preparing to compete at the national level.** As of the newsletter deadline, those plans are still being figured out, but please stay tuned for more information.

Additionally, the youth committee will be hosting a "Team Texas" t-shirt fundraiser. We will be obtaining sponsors, whose names will appear on the back of the shirt as well as selling t-shirts. All proceeds will be split among the 100th ARBA Convention Texas youth contestants to assist in covering some of their travel expenses. Let's help these kids out and let the 100th ARBA convention see our Texas pride!

I may be out of space soon as there's been quite a lot to <u>report</u> this newsletter. The Youth Committee is very excited about the growing number of youth participants and about having a Texas-sized group going to the 100th ARBA Convention. See you all soon!

~ Jennifer Schimpf, TRBA Youth Committee Chair

TRBA Membership Services

Hello All TRBA members,

The State Show was a huge success. Many of you are going or have been to your National Shows. We hope everyone has success. Travel safe.

We have submitted some ideas for the BOD to consider to increase membership. We want to educate prospective members also. Some of these ideas can aid in education.

I saw today that there is now an option to pay online. Please see this section from Tammy, "Great news members! We have enabled online membership application and renewals, in addition to the traditional mail-in process. Our TRBA website will be updated soon." This is one feature you had requested.

Thanks to Amber for listing the members whose membership <u>are</u> expiring in the <u>particular month</u>. Please read and check those.

Please if you have an idea to increase the membership contact a committee member. Griff Harris, gharristsu@gmail.com, John Terry, Harold Bairrington, or Sheila Keefer. We are happy to listen and entertain your thoughts.

I hope everyone will be able to attend the Southern Classic, Texas Satins and guest clubs in Hillsboro, SWRRBA in Witchta Falls, Texas Panhandle RBA show in Dumas, and any others I left out.

If you have TRBA shirts or other items wear them with pride. I was wearing my TRBA hoodie in Hillsboro and was asked about information. They were new and did not know where to get information.

Get ready for summer heat.

Promotional Report

Many of you stopped by the Sew All That At tr.More booth at the State Show and asked if we could develop some shirts for certain rabbit breeds. We have started and watch for posts soon showing the sample to the community. We are working on each breed.

We developed a car sticker for your window or other items. We will be able to size these as you wish. See that post soon also.

If you have something that you like let us know. Other individuals might like these also. I was wearing my TRBA hoodie in Hillsboro and was asked about information.

2023 Breeders of the Year

Since I attended my first state awards banquet back in 2014, I have worked towards the dream of becoming a youth breeder of the year and it is my honor to be named the 2022 Youth Breeder of the Year. I want to thank my mom for supporting me with my rabbit project even when it came to late nights in the barn, driving all over the nation, and allowing me to accomplish all my dreams with my project. I want to thank the Texas Rabbit Breeders Association for supporting all of Texas's youth and allowing us to grow up in a family and community that does nothing but help support, grow, and develop the future leaders of the rabbit industry. I want to thank all the committee members who gave this award to me and believing I was qualified enough to be awarded such a prestigious award. I lastly want to thank all my mentors and friends who have helped me with my rabbit project. This has been my greatest accomplishment with my rabbit project over the last decade.

Sincerely,

Cassidy Besinaiz

At this year's annual banquet, I was completely surprised to be awarded the 2022 Texas RBA Open Breeder of the Year. TRBA has become a major part of my life since I joined as an 11-year-old in June 2003. I started with a 4-H rabbit project, and it did not take long to turn into a lifelong passion. Some of you remember the young teenager with Havanas that was excited to be a comment card taker for the entire show day. Some remember the girl that chose to only enter royalty once each division to allow others a chance at a title after winning both Duchess and Queen. Others remember the rabbit registrar that was booked nearly as much as judges at all the local Texas shows. Now, you know me as ARBA Judge, Texas Youth Committee Chair, Mid-Tex RBA Secretary, and still as passionate as ever with raising Havanas. This year marks 20 years as a dedicated member of TRBA and I would not change those experiences and memories for anything.

None of this would have occurred without the many people that have encouraged, mentored, and supported me throughout the years and continue to do so. You know who you are, and I cannot express my gratitude enough.

The year that I was selected Youth Breeder of the Year, Janet Lorenz was selected the Open Breeder of the Year. She told me then that I would be the first to win both. I shrugged it off and never considered it. Fast forward 15 years to this year's banquet and that prediction became a shocking reality.

There are numerous incredible people in this organization that are very deserving of the prestigious designation of "Breeder of the Year." Recipients are secretly nominated by character reference letters from other TRBA members and then selected by a committee. This award is not about who wins on the show tables. The best way to describe it is with my alma mater's motto (Sam Houston State University), "The measure of a life is it's service." Previous recipients represent those that have cheerfully, willingly and without being asked, gone the extra mile to serve our organization in the capacity that fits them best. They recruit, teach, and lead by example. Texas RBA is better off and the organization it is today because of each of these remarkable individuals.

I am truly humbled to be the very first recipient of both a Youth & Open Breeder of the Year. <u>Thank-you</u> to those that thought to nominate me, those on the selection committee, and the entire TRBA family for your support and belief in me. I hope to continue to serve and strive to be an ambassador for our great Texas RBA organization for many more years.

With heartfelt gratitude,

Jennifer Schimpf
